## OVERVIEW

The 500 Series Refrigerator Bottom Freezer is designed for fresh food lovers, offering a 70:30 fridge-freezer split, advanced cooling, and energy-efficient performance. With clever storage and thoughtful features, including a non-plumbed water dispenser and auto-ice function (select models), it's built for everyday convenience.

## FEATURES

- Energy efficient 8-star rating
- 70:30 fridge-freezer split offers more space for fresh food
- Flat door design with a recessed handle for a clean, modern aesthetic
- Reversible door hinge allows flexible installation to suit different kitchen layouts
- Full-width shelves and spacious compartments provide flexible storage
- LED lighting illuminates the interior for clear visibility and easy access
- Super Freeze function rapidly locks in freshness, preserving taste and texture
- Humidity Zone™ drawer locks in moisture to keep fruit and vegetables fresh
