738mm

Weight (Packaged)

118kg

Weight (Product)

108kg

OVERVIEW

Keep more of what you love on hand. 666L of side-by-side storage gives you generous space for fresh food and frozen staples, with a 60:40 fridge-to-freezer split so you get more room where you use it most. Everyday items are organised and visible, while a flat door design with recessed handles brings a clean, modern finish to the kitchen.

FEATURES

- 666L side-by-side capacity with a 60:40 fridge-to-freezer split
- 5-star energy rating for efficient cooling performance
- Flat door design with recessed handles for a clean, modern kitchen finish
- Inverter compressor adjusts output to match cooling demand
- Adjustable shelves and spacious compartments provide generous storage
- Active Fresh Zone maintains up to 90% humidity for fruit and vegetables
- Super Freeze™ quickly lowers freezer temperature for fast freezing
- Super Cool quickly chills newly added groceries
- Total No Frost helps prevent ice build-up in the freezer
- Wi-Fi connectivity with SmartHQ™ app control and alerts

OVERVIEW

Live well, with more space. With 661L of well-organised side-by-side storage and a 60:40 fridge-to-freezer split, this refrigerator is designed to adapt to the way you live. Enjoy easy access to chilled water without the need for plumbing, while the spacious interior gives you room for everyday groceries, frozen favourites and more. A flat door design with recessed handles keeps the look streamlined and modern in the kitchen.

FEATURES

- 661L side-by-side capacity with a 60:40 fridge-to-freezer split
- Non-plumbed slim water dispenser with an easy-to-refill internal tank
- 5-star energy rating for efficient cooling performance
- Flat door design with recessed handles for a clean, modern kitchen finish
- Inverter compressor adjusts output to match cooling demand
- Adjustable shelves and spacious compartments provide generous storage
- Active Fresh Zone maintains up to 90% humidity for fruit and vegetables
- Super Freeze™ quickly lowers freezer temperature for fast freezing
- Super Cool quickly chills newly added groceries
- Wi-Fi connectivity with SmartHQ™ app control and alerts

OVERVIEW

Ready for a good occasion. 650L of generous capacity with a 60:40 fridge-to-freezer split pairs with plumbed ice and water through the door for everyday convenience. With chilled water, crushed ice and cubed ice on tap, it's ready for busy mornings, family dinners and entertaining alike. Inside, the side-by-side layout keeps fresh and frozen food easy to organise, while the flat door design and recessed handles create a sleek, modern look.

FEATURES

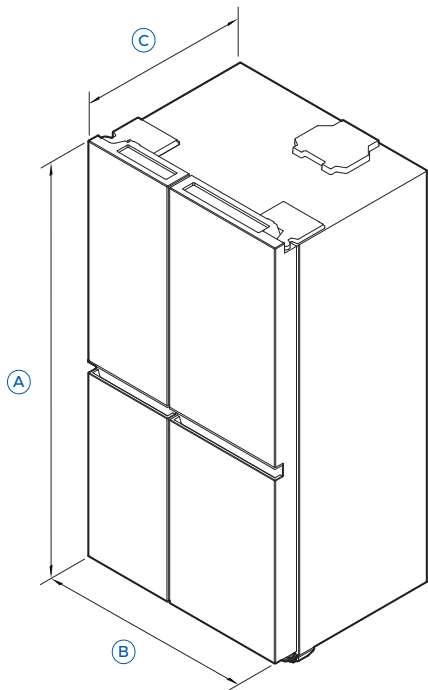

- 650L side-by-side capacity with a 60:40 fridge-to-freezer split
- Plumbed in-door ice and water dispenser with crushed and cubed ice
- 4.5-star energy rating for efficient cooling performance
- Flat door design with recessed handles for a clean, modern kitchen finish
- Inverter compressor adjusts output to match cooling demand
- Active Fresh Zone maintains up to 90% humidity for fruit and vegetables
- Super Freeze™ quickly lowers freezer temperature to help maintain texture once thawed
- Super Cool quickly chills newly added groceries
- Total No Frost helps prevent ice build-up in the freezer
- Wi-Fi connectivity with SmartHQ™ app control and alerts
