DESIGN CHOICE

INTEGRATED

PANEL READY CUSTOM HANDLE

With minimal installation gaps for a precise, flush fit, Integrated style Dishwashers blend effortlessly into surrounding cabinetry. Choose to fully conceal with custom panels or contrast with stainless steel finishes for a cohesive, considered kitchen design.

* Handle and Door Panel accessories for integrated dishwashers are available on the website

MINIMAL

MINIMAL PROUD HANDLE

Minimal style Dishwashers are designed to recede within a kitchen space. For built-under or integrated installation, they feature a refined handle profile and top of door controls that preserve uninterrupted cabinetry lines. Quiet performance and flexible loading support everyday dishwashing without visual distraction.

CONTEMPORARY

CONTEMPORARY PROUD HANDLE

Defined by clean lines and timeless design cues, Contemporary style Dishwashers bring a sense of balance and refinement to the kitchen. The proud handle provides a confident visual statement, with a tactile element that complements the overall design aesthetic.

CONTEMPORARY RECESSED HANDLE

Defined by clean lines and timeless design cues, Contemporary style Dishwashers bring a sense of balance and refinement to the kitchen. The recessed handle creates a seamless, uninterrupted flow, a functional design detail that supports the clean aesthetic of recessed-handle kitchens and complements a range of interior styles.
