

500 Series Wall Mounted

AS25PFHRA-SET, AS35PFHRA-SET, AS50PFHRA-SET, AS71PFHRA-SET

500 Series Wall Mounted

The 500 Series Hi Wall split system provides efficient heating and cooling across a range of room sizes. Featuring Intelligent Air, Coanda Plus airflow and Wi-Fi enabled control via the SmartHQ™ app, it is designed for quiet performance and straightforward installation.

Features

Intelligent Air

Intelligent Air directs cool air up and warm air down for efficient airflow

Turbo Cooling

Turbo mode increases motor speed to rapidly adjust room temperature

3D Airflow

3D Airflow swings horizontally and vertically to help distribute air more evenly

Coanda Plus Airflow

Coanda Plus airflow supports even air distribution across the room

Self-Clean

Self-clean function helps remove dirt from indoor and outdoor coils

Smart Control

The SmartHQ™ app puts control in your hands, allowing you to manage your air conditioner remotely from anywhere, at any time. Compatible with Google Home and Amazon Alexa for added convenience.

Easy Installation

Designed for easy installation, Haier 500 Series systems feature simple positioning requirements, with accessible control boards and motors for efficient servicing and maintenance.
