Height

1790mm

Width

830mm

Depth

747mm

Weight (Packaged)

125kg

Weight (Product)

118kg

OVERVIEW

Your grocery haul fits in one trip. With 551L of capacity, fresh food, frozen essentials and everyday favourites sit neatly arranged and easy to reach. A in-door dispenser delivers chilled water and crisp, pure crushed or cubed ice on demand, while four flush doors in fingerprint-resistant black bring a clean, streamlined finish to your kitchen.

FEATURES

- 551L large-capacity slim quad door, with adjustable glass shelves for flexible storage
- 4-star energy rating for efficient day-to-day cooling
- Plumbed in-door water, plus fresh-tasting crushed and cubed ice dispenser with PureSpace Ice technology
- Flush doors, a fingerprint-resistant finish and full backlit led lighting for a modern, streamlined look
- Air Fresh Tech circulates cool air evenly throughout the fridge for consistent temperature and lasting freshness
- Active Fresh Zone keeps produce fresh for longer
- Super Freeze™ rapidly lowers freezer temperature while Super Cool quickly chills newly added groceries
- Total No Frost prevents ice build-up in the freezer
- Inverter compressor adjusts output to match cooling demand
- Wi-Fi connectivity with SmartHQ™ app control and alerts

OVERVIEW

Everything organised for the days ahead. 573L of capacity gives fresh and frozen food their own defined space, so what you need stays easy to find through the week. A slim plumbed dispenser and automatic ice maker keep chilled water and cubed ice ready when you need them, while four flush doors in fingerprint-resistant black bring a clean, considered finish to your kitchen.

FEATURES

- 573L large-capacity slim quad door, with adjustable glass shelves for flexible storage
- 5-star energy rating for efficient day-to-day cooling
- Slimline plumbed water dispenser, plus automatic ice ready in the freezer
- Flush doors, a fingerprint-resistant finish and full backlit led lighting for a modern, streamlined look
- Air Fresh Tech circulates cool air evenly throughout the fridge for consistent temperature and lasting freshness
- Active Fresh Zone keeps produce fresh for longer
- Super Freeze™ rapidly lowers freezer temperature while Super Cool quickly chills newly added groceries
- Total No Frost prevents ice build-up in the freezer
- Inverter compressor adjusts output to match cooling demand
- Wi-Fi connectivity with SmartHQ™ app control and alerts

Weight (Packaged)

110kg

Weight (Product)

103kg

OVERVIEW

There's room for what you bring home. With 574L of capacity, fresh food sits at eye level and frozen meals are neatly stored below — everything where it should be. A slimline door dispenser keeps chilled water close at hand, while four flush doors in fingerprint-resistant Satina bring a clean, polished finish to your kitchen.

FEATURES

- 574L large-capacity slim quad door, with adjustable glass shelves for flexible storage
- 5-star energy rating for efficient day-to-day cooling
- Slimline non-plumbed water dispenser with easy-to-refill internal tank
- Modern, streamlined look with flush doors and a fingerprint-resistant finish
- Metal Fresh Tech helps distribute cooling more evenly throughout the fridge
- Active Fresh Zone keeps produce fresh for longer
- Super Freeze™ rapidly lowers freezer temperature while Super Cool quickly chills newly added groceries
- Total No Frost prevents ice build-up in the freezer
- Inverter compressor adjusts output to match cooling demand
- Wi-Fi connectivity with SmartHQ™ app control and alerts
